

2008 KOMEN PATIENT ASSISTANCE FUND

The Komen Patient Assistance Fund guidelines require that KPAF should be the last choice for funding. If you have exhausted other programs, KPAF is there for your patients. Available resources may differ in each county. Please check the following resources and other local programs before applying for Komen funding.

- **Benefits Checkup:** Go to www.cancerlifeline.org Click on Benefits Checkup icon (for pharmaceutical patient assistance programs and various federal, state and county financial support programs) or go to www.benefitscheckup.org/index.cfm?link=cl
