

*Optimizing the quality of life for people living with cancer...patients, friends, family and coworkers*

1. Please review the Cancer Lifeline Internship Program Q&A. You can get a copy of this by contacting Dr. David Sugarman at [dsugarman@cancerlifeline.org](mailto:dsugarman@cancerlifeline.org).
2. To apply for an internship at Cancer Lifeline, please complete the following application and e-mail it to David Sugarman ([dsugarman@cancerlifeline.org](mailto:dsugarman@cancerlifeline.org)) along with a resume and two Letters of Recommendation.

<h2>Intern Application</h2>	
Name _____	Date _____
Address _____	
City _____	State _____ Zip _____
Phone (Day) _____	Evening _____
Email _____	Birthdate (month and day are fine) _____

1. What is your interest in having an intern placement at Cancer Lifeline?
2. What do you hope to gain through an internship at Cancer Lifeline?
3. What are the specific requirements of your program for this practicum placement?
4. Given your practicum requirements, how many hours a week do you anticipate being at Cancer Lifeline and what supervision does your program require?
5. Have you had any personal involvement with cancer or any other life-threatening illnesses? How recently? Please explain briefly.

Please feel free to attach another page for complete answers.
