

CancerLifeline

Eighth Annual *Faces of Caregiving* Awards Luncheon

April 29th, 2008 – The Westin Seattle

Caregivers at Work

A SPONSORSHIP BENEFIT AT \$2,500 & ABOVE

The *Faces of Caregiving Awards* is Cancer Lifeline's primary fundraising event. Our goal is to identify and honor individuals or groups in our community who exemplify care-giving. We hold these unsung heroes up as models who have integrated care-giving values into their lives.

We know that there are many people in our community and in your work place who are also caregivers. Employers who create work environments that recognize the importance of caring and of fostering relationships between fellow employees, their families, and community are integral to everyone's health.

For the fourth year, we will acknowledge all sponsors of **\$2,500** and above by honoring a **Caregiver at Work** from your workplace. This award offers public recognition that, as an employer, you foster a work environment that values and honors the caregivers who contribute to the quality of life your employees enjoy. You and your honoree will also be recognized during the *Faces of Caregiving Awards* by the following:

- A private pre-reception for you and your honoree from 11:00 – 11:30 a.m., on **April 29th, 2008** including the opportunity to meet the *Faces of Caregiving Awards* recipients, other **Caregivers at Work**, community leaders, Cancer Lifeline board members, staff and volunteers.
- Signage at your table recognizing you as an employer who is honoring a **Caregiver at Work**.
- Recognition in a **Caregiver at Work** publication featuring all honorees' heartwarming stories. Additional copies will be available for honorees to share with family, co-workers and friends.
- Recognition on Cancer Lifeline's website.
- Recognition of all honorees during the Awards, including digital photos supplied by you.
- Recognition in "thank you" ad in the *May 2008 Puget Sound Business Journal*, Corporate Citizenship publication.

Shining a Bright Light on Caregiving
